Here's a quickie photo log of events that have happened since the last photolog. If you can let me know which ones you want from this I can send the jpg files. I didn't want to just randomly send some photos and totally miss the mark with what you were looking for. Thanks!!

Thanks,

If you have a few really good ones that I can add to my power point presentation try to send to me by Thursday afternoon. Just looking for a couple good ones.

Thx..

Great. Thanks!!! I'm working on getting everyone to finish uploading their photos so I can complete the next mega-photolog. I should be able to get it to you this weekend.

Thanks,

I will work on a second photo log for the photos from 2/13 on. Did you get the large file I sent?
I'm not sure if it cleared your size limit or not. Thanks!!!

Large file is fine. Smaller is ok as well. And yes on photos from 2/13.

Thank you..

Hi there,

Currently we only have one large photo log. I will attempt to send it to you...if it doesn't come through, I will break it into smaller "pieces." Do you want me to create another one with photos that were taken since this one was completed on 2/13?

Thanks,

hi

Sorry, yes photo logs.

Could you send me all the photo logs to date regarding the WV spill?

Thanks...
